

StoicCo

Office of Mortal Affairs

Persons wishing to be considered for a life change during the course of their mortal tenure must complete Form 47c, in person, at the Office of Mortal Affairs at the StoicCo main headquarters in Boston, MA. See reverse for Form 47c (*Life Change Request Form*).

A limited number of life changes will be offered.

You are encouraged to take advantage of opportunities for change provided within the mortal coil.

1. Life change offers will begin on Jan 14, 0040 A.D. Life change request forms are valid through the Apocalypse (date TBD), the end of the life change period. The Apocalypse is the last day to accept a life change offer. If you accept a life change offer on the day of the Apocalypse, you must embrace your new life and relinquish claim to your previous soul on or before the hour the Third Rider enters the mortal realm of reality.
2. The criteria used to determine priority for life changes is as follows: (1) Karma (2) Good deeds as noted by the Office of Immortal Affairs (3) Life change interests.
3. If you are initiating your life change request for a medical reason, you must send a current statement from your physician to the Office of Fate, on the third floor of StoicCo Headquarters. The statement should include your full name, Person Identification Number (PIN), and an explanation of your medical condition and remaining mortal tenure expected. The letter should specify that you are requesting a life change.
4. **SoulMate™** requests must be mutual. Each person seeking a life partner (herein termed “SoulMate™”) must submit Form 47f and make sure that potential partner does the same. If one person makes a SoulMate™ request and the intended does not, the SoulMate™ request will not be honored.
5. If you are interested in a change into a social class higher than the one to which you currently belong, you must first apply and receive approval to live within that specific social purview. If you have not yet applied, please visit floor 13 in the StoicCo Headquarters and fill out Form 532fu. After you submit your application, a counselor will review your case and approve or deny your request; the Office of Mortal Affairs will also be notified of the decision.
6. If your request for a life change can be granted, you will be notified by telephone, e-mail, dream, or vision question at the telephone number, e-mail, or psyche address you provide on your Form 47c. Once an offer is extended, you have 24 hours to respond and settle your affairs. The Office of Mortal Affairs (and all of StoicCo subsidiaries) is not responsible for messages left on an answering machine or voice mail systems that are not relayed or received, or for canceling an offer if you do not respond in the time allowed. Upon accepting a life change offer, you are granted 48 hours to complete the acceptance paperwork and prepare CurrentFlesh™ for reassignment.
7. Because of variable ResourceQuotas™, the mortal tenure expectancy for a new assignment offered may be shorter than your present assignment. **You are responsible for acceptance for eventualities arising from your new life accommodations as stated in your Fate License Agreement and detailed in the StoicCo Strategic Life Arrangements.**

StoicCo

Office of Mortal Affairs

Before completing this form, carefully review the policies and procedures about life change requests in the StoicCo *LifeChanging You!*TM handbook.

Last name First name
